

# Banner Stands & Rollups

## Easy

### Easy

This lightweight stand's name says it all...easy to use, and easy on the budget too. The graphic panel can be changed over simply by the user...which is handy if different graphics are required regularly.

Panel and hardware easily pack away into a handy carry bag. The graphic, available in 2 widths & heights, can also be profile cut to custom shapes. Stand height is also adjustable. Available in single and double sided.
